A network of people helping those in career crisis to hear God calling, maximize their potential, and get the right job.

Crossroads Career Services, Inc. is a faith-based 501c3 nonprofit organization that helps people hear God calling, maximize their career, and get the right job. We educate, equip and encourage those who are unemployed, underemployed, misemployed and/or unfulfilled by providing online resources and guidance from compassionate, experienced volunteers. We also partner to equip churches and other ministry organizations to offer their own coaching, small groups and local jobs ministries.

Our proven framework of loving God completely, loving ourselves correctly, and loving others compassionately has helped people for more than 30 years. Here are a few of their comments:

"This program is exemplary and so necessary to give people the greatest support during a super hard time in their life! You have put together an amazing compilation of what is needed!" — Judy

"I prayed this morning...God, I need a miracle today! You're the first person I've told my story to. I feel so much better." — Yolanda

"I have become closer to God in the last 12 weeks than I have been in the past 30 years, thanks for this group!" — Harold

"I just want to thank you guys all so much for allowing me to be open and honest with you in my life transition period. This is way more than a job change for me, I am changing everything in my life this year." — Tracy
